Bree came to the Franklin County Dog Shelter with a badly fractured pelvis (it appeared she may have been hit by a car). Friends of the Shelter is an all volunteer non-profit group established to coordinate the fundraising activities that directly benefit the dogs of the Franklin County Dog Shelter. Money raised by Friends of the Shelter specifically funds diagnostic services, medical/surgical intervention and recuperative kennel care for the sick and injured dogs of the Franklin County Dog Shelter. These innovative medical services, made available to Franklin County Dog Shelter dogs are not funded by county tax dollars and rely solely of Friends of the Shelter for support.
